

2017-2018 Junior High Girls' Basketball

PLAYING REQUIREMENTS

DIVISION II

There are a total of 4 Division II schools playing:

North Region – Pineview and Trinity

South Region – Adullam and Conecuh Springs

Schools must play the scheduled games in their region as required and a minimum of six, while eight is recommended. We suggest a Saturday round-robin type of play where each school plays at least two games each. Games against ANY school – ACAA member (Division I or II) or non-ACAA member (if they represent a bona-fide school) counts toward the minimum number after the required scheduled games have been satisfied.

Send in scores for ALL junior high girls' games played.

Seeding will be based primarily on games played in region or other ACAA Division II schools. All teams will advance.
