Directions:

VARSIY VOLLEYBALL ALL-STAR EXHIBITION GAME

Process for selecting girls to compete.

1. Send no more than two players but send at least one player.
2. Send your best varsity players if they are in the 9th, 10th, 11th, or 12th grades.
3. Eleventh and twelfth grades should be considered first.
4. Rule of thumb: do not send a player that could not compete against an entire team as good as your best one or two players.
5. You do not have to send only All-State or All-Tournament players from you team. There are other quality players that should have the opportunity to compete in an All-Star game. This can be a fun learning experience for players as well to demonstrate their volleyball skills.

We look forward to seeing you and enjoying a great day of volleyball.

Thank You!
