## **ACAA Varsity Volleyball Coach of the Year**

ACAA will recognize *Volleyball Coach of the Year* for varsity head coaches.

The following guidelines will be followed:

- 1. No coach will be selected for more than 2 consecutive years
- 2. Incomplete ballots will not be considered
- 3. Wins/losses or championships are not the sole criteria
- 4. Deportment, sportsmanship, and Christian influence is paramount
- 5. Coaches under school or league discipline of any kind will not be considered
- 6. No appeals will be heard selections are final
- 7. Lack of consensus will prevent a coach from being named for that group
- 8. First consideration is the ballots (If consensus is clear GREAT! If not the Executive Director in conjunction with the ACAA Committee will work to name the coach most deserving)
- 9. Schools not participating (fail to submit a ballot) will not have their coach considered if a consensus is reached on another coach
- 10. Date for returning a completed ballot MUST be respected.
