2023-2024 ACAA Varsity Basketball Coach of the Year

ACAA will recognize *Basketball Coach of the Year* for varsity girls and varsity boys.

The following guidelines will be followed:

1. No coach will be selected for more than 2 consecutive years.
2. Incomplete ballots will not be considered.
3. Wins/losses or championships are not the sole criteria.
4. Deportment, sportsmanship, and Christian influence is paramount.
5. Coaches under school or league discipline of any kind will not be considered.
6. No appeals will be heard – selections are final.
7. Lack of consensus will prevent a coach from being named for that group.
8. First consideration is the ballots (If consensus is clear – GREAT! If not the Executive Director in conjunction with the ACAA Committee will work to choose the coach most deserving).
9. Schools not participating (**fail to submit a ballot**) **will not** have their coach considered if a consensus is reached on another coach.
10. **Date for returning a completed ballot MUST be respected so plaques can be ordered.**
