Russell	@ Eastwood / vs. Success / @ Victory-M
Tuscaloosa	@ Eastwood / vs. Success / @ Victory-M
Victory-C	vs. Eastwood / @ Success / vs. Victory-M

Playoff Structure

The top two schools from each area will advance to a sub-state round, with the number one hosting the number two from the opposite area. The winners of the four sub-state games will advance to the Final Four in Hueytown hosted by Brooklane. The ACAA Softball Final Four will be a double elimination.

Area rankings are determined by area record. In the event of a tie, the two teams over-all regional record will be looked at. In the event the records remain tied then head-to-head play will be used, using runs scored minus runs allowed in games played.

NOTE:

- A minimum of two umpires should be used for each ACAA sanctioned game.
- Teams participating in post-season tournament play may be assessed a fee to cover tournament expenses.
- Refer to the **National Federation Rules Book** for general rules and note **any rule changes**.
- Athletic Calendar: Download from the ACAA website and mark important dates to remember.
