Harvest JH ONLY (vs B'lane, @ Chilton, vs Victory)

PLAY-OFF STRUCTURE:

VARSITY: There will be two rounds of play-offs for varsity teams. The top three teams in each area will make it to post-season play.

FIRST ROUND: The four area winners receive a bye. The two's and three's in each area will cross over *WITHIN THEIR OWN REGION* to play the first round, with the two's hosting the three's. (North Region Area 1 #2 hosts Area 2 #3, and Area 2 #2 hosts Area 1 #3. Same for the South Region)

SECOND ROUND: The one's host the winners of the "two vs. three" first round game in a REGIONAL CROSSOVER game. (i.e.- North Region Area 1 #1 hosts winner of South Region Area 2 #2 vs Area 3 #3 game... etc. The winners of the second-round games then advance to the FINAL FOUR in Oxford.

JR HIGH: The top two schools from each area will advance to the playoffs. The one's from each area will host the two's from their opposite area in a sub-state game. The winners will advance to the FINAL FOUR in Oxford.

Victory - C (Varsity Only)

PLAY-OFF STRUCTURE:

VARSITY: The top four schools from each area will advance to a sub-state round, with the number one hosting the number four from the opposite region, and the number two hosting the number three from the opposite region. The winners of the four sub-state matches will advance to the Final Four in Oxford at the Bynum Community Center. The Final Four will be single elimination with each match being 3/5 sets.

JR HIGH: The top four schools from each area will advance to a sub-state round, with the number one hosting the number four from the opposite region, and the number two hosting the number three from the opposite region. The winners of the four sub-state matches will advance to the Final Four in Oxford at the Bynum Community Center. The Final Four will be single elimination with each match being 2/3 sets.

Rankings for all divisions are determined by region record (& if tied area record for Div2A). In the event of a tie, the two teams head-to-head sets won minus sets lost will be used. Should the sets be tied then points scored minus points allowed in both head-to-head games will determine the final rankings.
