

**The Athletic Committee has implemented the following for all sports that require eligibility checks:**

**Probation will be assigned to teams that schedule to participate in a season and then pull out before the season begins as well as teams that decide late to play and schedule after probation date.**

**The probation date is 1 week after eligibility materials are due for volleyball and on the date eligibility is due for basketball, baseball, and softball giving schools time to determine whether or not they can field a team.**

**\*The probation penalty is that the team is not eligible for post season play.**

**\*For teams that pull out before the season begins, the team will not be eligible in the next season they have a sanctioned team.**

**\*For teams that join after probation date they will not be eligible for post season play in the season they joined late.**

**Volleyball: Probation Date - July 22, 2024.**

**Basketball: Probation Date – October 21, 2024**

**Baseball/Softball: Probation Date – January 27, 2025**
