VARSITY VOLLEYBALL ALL~STAR EXHIBITION GAME

Email the registration form to Lydia Steed at FACS (lydia@facslions.org)
by Wednesday, October 15, 2025.

Process for selecting girls to compete:

1. Send no more than two players, but **please**, send at least one player!
2. This exhibition is for varsity players only.
3. Eleventh and twelfth grades should be considered first.
4. Rule of thumb: Select a player that can compete against an entire team as good as your team's best players – remember, every coach is showcasing their top quality, most coachable players.
5. You do not have to send only All-State or All-Tournament players from your team. There are other quality players that should have the opportunity to compete in an All-Star game. This can be a fun learning experience for players as well to demonstrate their volleyball skills.

We look forward to seeing you and enjoying a great day of volleyball.

Thank You!
