

Hello and congratulations on making it to the ACAA Final Four Championships! Lots of hard work has gone into your journey that has gotten you here this weekend, but there is ***Unfinished Business!*** We want to make this a great experience for you and your team!

This will hopefully provide all the information you will need to make this a great weekend of volleyball!

First of all, we want to thank Spain Park High School for allowing us the use of their facilities to host our tournament. It is a first class facility and will provide a great championship atmosphere for you and your team.

Warm-up balls and carts will be provided for you, so there is no need to bring those with you.

Officials will be provided by the East Alabama Officials association. They will perform R1, R2 and line judging duties for the entirety of the tournament.

The team designated as the home team will be the official book. If the home team uses a libero, that team will also be responsible for official libero tracking duties. If the home team does not use a libero, the visiting team, if using a libero, will be responsible for official libero tracking duties.

Concessions –There will be concessions available for the duration of the tournament

Tournament T-shirts will be available on a first come/first serve basis. Cost will be \$20

For all tournament teams, coaches will submit names from their team to the tournament director. Teams that lose on Friday will have 1 submission each. Runner-up will have 2 submissions and Champion will have 2 submissions plus choose the MVP
